<u>Section B:</u> In order to manage the meeting, what should you say when you are intending to apply these following strategies.

Common problem	Strategies	What should you say?
Interruptions	Establish ground rules for respecting other meeting participants' opportunities to contribute.	
	Provide post-meeting private feedback.	
Distractions	Instruct participants to turn off personal devices and notifications at the beginning of the meeting.	
	Politely ask the participant who is the course of distraction to stop.	
Off-task behavior	Redirect the off-task behavior by providing a relevant participation opportunity.	
	Politely ask the person to stop the side conversation.	
Interpersonal conflict or combative responses	Restate a meeting rule when participants making combative or competitive statements toward other participants.	
	Interject before participants have opportunities to respond negatively to one another.	
Technology	Facing a problem with the connection and would like to ask remote participants to reconnect.	
	Move to a backup plan regarding the difficulty with the meeting platform or malfunctions.
