Workshop - Visual planning of the project for I4.0 maturity model self-diagnosis

Universidade do Minho

Develop the project plan

- Answer to the planning questions using the PM Canvas:
  - Why, What, Who, How, When and How much?

http://pmcanvas.com.br/download/

Project + Portfolio
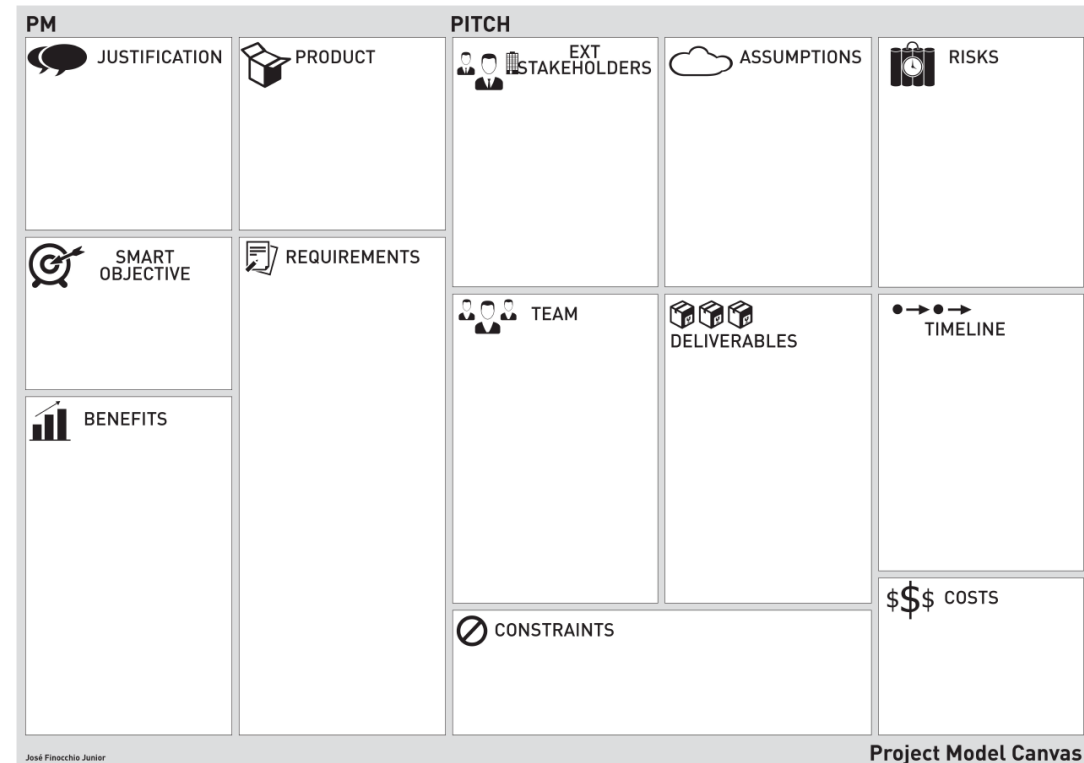

- What progress have you identified in your project this week? What did you do for your project this week? What do you plan to do next week? Can you relate project events to Project management skills? Describes examples.

- What skills have you reinforced this week with classes? What content and / or activities had the most impact or were the most relevant? What questions or concerns would you like to resolve? Do you have extra comments to add? Give specific examples, relating to project management.

Thank You
